5th February, 2017

STORAGE CHARGE FOR TWO TRUNKS BOXES

Be notified that a quantity of two trunk boxes at the moment is in the Dispatcher Office at the Berlin International Airport awaiting further assessments as tagged in the name of Jacqueline Anne Burns of the United Kingdom. The following are the charges standardized and regulated by the Civil Aviation Authority as charge policy for the accommodation and temporal storage of the items in this subject.

Item:	Two Trunk Boxes
Content:	An amount of gold
Date of First Storage:	14th December, 2016
Reference Code:	SXF0912071ZOLL2016

Upon review, the Dispatcher Office is facilitating the storage of the consignment as 2,500.00 Euros per week for which the total demurrage is 17,500.00 as at to day the 5th day of February, 2017 (that is over the period it has stayed so far).

In light of the above, the total accrued required clearance should be duly paid to declare and allow further delivery of the trunk boxes.

Upon receipt of the total payment, the deposited items (two trunk boxes) shall be released to the delivery officer with immediate effect.

Be under advised that all arrears must be paid completely to enable the release of the trunk boxes since the storage charge keeps counting as 2,500.00 Euros on a weekly basis.
